NARRATIVE:

Johnson has an extensive adult criminal history that began at the age of 19. His convictions include robbery, first degree burglary, assault w/a deadly weapon, theft, multiple petty thefts w/prior, controlled substances for sale, and violations of parole supervision. He has recently served an eight (8) year state prison term for robbery. Johnson was released from state prison to the supervision of the Los Angeles County Probation Department on January 8th, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Johnson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary, is defined as non-serious and non-violent under the California penal code. His criminal history as well as his current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
